FARMERS BANK
COMMUNITY REINVESTMENT ACT STATEMENT

The primary area served by Farmers Bank, Jerome Office shall encompass Block Numbering Areas 9701, 9702, 9703, 9704, and 9705 as defined by the U.S. Department of Commerce, Bureau of the Census' Tract and Block Numbering Area Reports. These blocks include the Hunt Division, the Eden-Hazelton Division, and the Jerome Division of Southern Idaho. The primary communities within this service area are Eden, Hazelton, and Jerome.

Farmers Bank will accept and review applications for single-unit or multi-unit conventional real estate loans, interim construction loans, commercial loans, community development loans, SBA loans, FSA affiliated loans, home improvement loans, agricultural loans and personal loans. Applications will be reviewed in light of the Bank's written loan policy, credit worthiness, availability of funds and current economic conditions without regard to race, religion, age, sex, national origin, handicap, familial status or economic status.

Farmers Bank has extended real estate purchase loans in the past that are within the limits of existing loan policy. Farmers Bank has received and reviewed requests for multi-unit construction financing. The Bank has extended credit to assist with the formation of additional rental housing and single-family dwellings in the Bank's service area. All offices of the Bank desire to assist with the financing of low and low to moderate income rental properties in the Bank's service area. Farmers Bank's mortgage loan division has expanded lending criteria that allows credit extensions on manufactured homes and credit extensions to potential customers that do not have a social security number but hold an ITIN. The Bank's real estate division has no funding limits on these ITIN loans allowing Farmers Bank to service a wide range of the workforce in the Bank's agricultural market. The Bank's real estate division has made a strong effort to provide credit opportunities in surrounding communities with little or no banking services. Farmers Bank has booked 23 loans across 15 different communities that had zero or one bank in the community. A 2023 loan to A&W Properties allowed for the construction of seven separate four-plex units for a total of 28 new units. A 2023 loan to Elk Ridge RV LLC allowed for the construction of a Class A RV Park in Jerome County. Elk Ridge RV Park has 91 full-service RV units, a pool, laundry facility, general store, game room, managers' quarters, enclosed RV storage and a number of park amenities. The park can provide temporary housing for workers in the area as well as recreational visitors. A 2023 loan to Gaver & Sons Inc was completed to assist with the development of a 20-lot subdivision located two and one-half miles west of Jerome. Gaver & Sons will develop this 25.67 acres into 20 lots to be sold to buyers looking to build. A 2021 loan extension to A&W Properties provided seven four-plex units in Jerome. Past financing of note includes, but is not limited to, a loan to the Stonebridge Assisted Living Center of Wendell. This loan was initiated in the Jerome Office and followed an interim construction loan that facilitated the building of a 16-bed assisted living facility in Wendell. The Bank would review any future requests within the scope of the existing loan policy. The Bank currently extends approximately 85% of all credit within our defined service area.

Tax-free loans remain in the loan portfolio at low rates of interest. Currently, a total of 13 tax-free loans are booked across all offices of the Bank. The Jerome office extended one tax-free loan in 2025. This loan to Canyonside Christian School allowed for the purchase of a doublewide manufactured building to be placed on the school's property. This additional building will allow for classroom expansion with current enrollment increasing. Past loans of note include, but are not limited to, a loan to the Valley Recreation District to purchase a new Walker mower to service the city parks in Eden and Hazelton. A loan to the City of Jerome Fire Department to purchase a new fire truck. The Jerome Office would review any future opportunities to bid and attempt to book loans of this nature within the scope of the existing loan policy.

The Bank has reviewed agricultural development, business development, agricultural expansion, business expansion, and construction loans as presented in an effort to promote community development. The Jerome Office has financed new businesses and business expansion within the Bank's service area. Two 2025 loans to Double H Metal & Trim LLC allowed for the purchase of additional metal working equipment and rolled sheet metal inventory. Double H Metal & Trim will be able to complete custom siding, roofing, and trim contracts as a result. This business will employ an additional employee to manage the business office, their website, and customer orders. A 2025 loan to Idaho Hydrojetting, Inc. allowed for the purchase of a 2025 Kenworth equipped with a 2025 Vactor Vacuum/Hydro jet combo attachment that will allow them to service additional customers as this business expands. The Bank financed trucking expansions for Finks Transportation, LLC and 2M Livestock, Inc. in 2025. A 2024 loan to Brian Capps, Inc allowed for the continued expansion of this hay hauling business. Brian Capps, Inc added an additional driver with this expansion. An additional business expansion loan was completed in 2024 for Idaho Hydrojetting, Inc. An additional truck with a utility bed will increase the number of hydro-blasting trailers they can keep active. A 2023 loan extension to G&G Storage LLC allowed for the construction of phase one of an RV and self-storage facility on Highway 93 in Jerome County. Phase 1 includes a 14-unit RV storage facility and a 64-unit self-storage facility. A 2023 loan to Idaho Hydrojetting, Inc added a 2023 Cat 279D3 multi-terrain loader and a one-ton truck to pull their hydro-blasting trailers and transport six newly hired employees. Rim Rock Leasing expanded with the addition of an edge tracked trammel compost screener with financing from Farmers Bank in 2023. A 2022 loan to Robinson Property Development assisted in the construction of a professional office building in Jerome that was leased by Valley Therapy Services, Inc. Valley Therapy Service's primary service is speech therapy with some occupational health therapy. A 2022 loan to Ag Equipment Southwest Corporation assisted with the construction of a Farm Equipment USA sales and service center in Jerome. A construction loan extended to DeVan, LLC in 2022 assisted with the opening of a new Tommy's Express Car Wash in Jerome. These business owners have another Tommy's Express facility in the Bank's service area. The Jerome facility opened in the 2023 and the owners anticipated employing approximately 25 people. Three additional loans were written in 2022 to Idaho Hydrojetting, Inc. This Jerome based business expanded into the hydro-blasting field which allows for greatly increased PSI levels. Farmers Bank financing provided for the purchase of a Jetstream X4200D water blasting system and trailer, a 2022 Kenworth truck equipped with a high pressure Vactor Combination sewer cleaner, and three additional 2022 service vehicles. Idaho Hydrojetting expanded their workforce by approximately seven employees in 2022. A 2022 loan to a Buhl/Filer based customer allowed for an additional Jerome Storage facility. Late in 2021, the first Jerome Storage location was opened with 90 storage units available. The 2022 expansion on adjacent property allowed for an additional 73 40-foot storage containers and 38 20-foot storage containers. A 2021 loan to Switter Enterprises, LLC allowed for a trucking business startup. This Jerome based trucking entity operates in Idaho and bordering states.

A 2021 loan extended to High Meadows Trucking, LLC assisted with a business startup. High Meadows completes livestock long hauls. A 2021 loan to A&A Direct Transport, LLC allowed for a trucking business expansion. A&A Direct Transport completes a dedicated long-haul route for Magic Valley Quality Milk. Past loans of note include, but are not limited to, a loan to Johnson Transport for a business startup in the Bank's service area. This independent operator contracts with an established Jerome based commodities hauler to transport hay and straw. A loan to Magic Valley Quality Milk, LLC assisted with a processing plant expansion. This expansion allowed Magic Valley Quality Milk to process raw milk into cream, filtered skim milk, and condensed milk. The Bank partnered with SBA on this loan.

Farmers Bank has been active in SBA and FSA affiliated loans, agricultural loans, commercial loans and personal loans. SBA loans and FSA affiliated loans have been extended at office locations of Farmers Bank. Farmers Bank does not currently have any SBA loans booked. The Bank does have seven FSA guaranteed loans active. Four new FSA guarantee loans were booked across offices of the Bank in 2025. Farmers Bank was very active throughout the Coronavirus pandemic with the origination of 413 Paycheck Protection Program (PPP) loans in 2020 that totaled over \$36,600,000. The Bank extended an additional 251 PPP loans in 2021 that totaled over \$9,120,000. The Bank has assisted with all aspects of this Federal program until all PPP loans were cleared from the Bank's portfolio. Currently, agricultural loans account for 25% of the current loan portfolio. Generally, this percentage of the loan portfolio will peak at a higher percentage during the summer operating months. Commercial loan extensions currently account for 28% of the Bank's loan portfolio. Real estate and agricultural real estate loans continue to be a larger portion of the loan mix and currently account for 44% of the loan portfolio. Consumer loans and tax-free loans account for the final 3% of the portfolio. These loans are addressed within the limits of the Bank's loan policy and, like all credit applications, without regard to race, age, sex, national origin, handicap, familial, or economic status.

Farmers Bank continues to hold a portfolio of bank qualified, Idaho municipal bonds. These issues have included school district bonds in Gooding, Jerome, Lincoln, and Twin Falls counties and counties throughout the state. Farmers Bank has not had the opportunity to purchase local school district bonds for several years. The investment portfolio includes over \$2,100,000 in Idaho municipal bond issues. All prior issues located in the Bank's service area matured in 2025.

Farmers Bank will continue to be a corporate citizen and maintain a close business relationship with the Bank's service area. The Bank will provide quality services at competitive prices. The Bank will make every effort to provide affordable deposit accounts and meet the needs of the senior citizens in our communities. The Bank has been active and will remain active in promoting direct deposit of Social Security payments to citizens in our service area. The Bank will assist with the negotiation of Social Security loaded value cards at no service charge.

Farmers Bank offers very affordable checking accounts that allow for basic transactions and record receipts. The Bank continues to provide checking account options for both senior citizens and consumer account holders who are not yet 50 years of age. These accounts offer no service charge options as well as benefits that include free personal checks, free cashier's checks, a no annual fee VISA credit card and a rewards program product. The Bank's "e Banking" checking account option continues to be in demand. This account provides a low to no cost transaction account to our customers while encouraging e Statements, check card activity, and electronic banking. Farmers Bank has continued to expand electronic banking and online banking services.

The Bank will continue to review banking services to accommodate all segments of our customer base. Each Farmers Bank office houses at least one 24-hour ITM/ATM facility. The Jerome Office currently maintains one Attorney Trust Account (IOLTA) Certification and would be willing to accommodate additional accounts as needed in the future. The Bank will continue to address customer privacy issues, anti-terrorism issues, and general bank security issues to best accommodate our customers.

Farmers Bank and the employees of the Bank have and will continue to offer professional and financial assistance to programs in the Bank's service area that are designed to assist educational opportunities, community development, and those children and families with limited opportunities due to their level of income. Bank employees have participated in or offered expertise to a number of organizations. These include, but are not limited to, civic offices, Valley Vista Village, Rotary International, Kiwanis International, Gem Community Teams and local school boards. Employees have been active in the Idaho Small Business Administration Board of Directors and Loan Committee, the Jerome Chamber of Commerce, the Magic Valley Dairy Days program, Twin Falls County Youth Diversion Board, Gooding County Youth Diversion Board, Gooding County Cemetery Board, the Idaho Society of Rural & Farm Appraisers, the Idaho Total Beef Council, the University of Idaho Dairy Committee, the Idaho Bankers Agricultural Committee and numerous church and social functions. The Bank has been a consistent supporter of local 4H and FFA programs as well as an annual buyer at the Gooding, Jerome, Twin Falls, and Lincoln County Fairs Fat Stock Sales that support these programs.

Farmers Bank will be an active member of the community with financial support to worthwhile projects and personnel involvement in community activities that facilitate a higher quality of life within the Bank's service area. Program sponsorships are but a portion of this commitment. Past sponsorships and donations of record include, but are not limited to, "Racing for Charity", Christmas in the Nighttime Sky's/Toys for Tots, the Idaho Livestock Hall of Fame, the Magic Valley Shriner's Patient Travel Fund, the Magic Valley Cattleman's Association, the Twin Falls County Fair and Rodeo, local Chambers of Commerce, local QRU units, local senior citizen groups, local schools and a variety of local events, facilities and causes.

For nine years, Farmers Bank was very active in the sponsorship and support of the "Festival of Giving". This annual event brought numerous Magic Valley based businesses and individuals together to raise money for a variety of local charitable/non-profit entities. The Bank consistently contributed direct financial sponsorship along with producing Christmas trees and wreaths for the event auction. The "Festival of Giving" board of directors discontinued this event in 2020. The Bank moved our support to "Racing for Charity" in 2021 with a \$25,000 sponsorship. The Bank continued to support this cause in 2022, 2023, and 2024 with an additional \$25,000 sponsorship each year. For four years, "Racing for Charity" provided annual support to numerous local charitable/non-profits. Farmers Bank was one of this event's major sponsors that extended both financial support and business expertise to the "Racing for Charity" Board of Directors. The "Racing for Charity" Board of Directors has elected to suspend this event in 2025. The Bank will consider future support for an event of this type in the future.

Donations of special note include, but are not limited to, \$2,500 to Twin Falls Business Plus for projects throughout the Magic Valley, \$2,000 to the Jerome County Fair Animal Sale, \$1,500 to the Lincoln and Camas County Fair Animal Sale, \$1,000 to Jerome High School, \$1,000 to the College of Southern Idaho Foundation, \$1,000 to the University of Idaho Foundation, \$1,000 to the Magic Valley Shriners Patient Travel Fund, \$1,000 to the Wellness Tree Community Clinic, \$1,000 to the Fifth Judicial District CASA Program, \$650 to the Jerome Senior Center, \$600 to the Silver & Gold Senior Center in Eden, \$500 to Safe House, \$500 to the USO, \$500 to the Jerome High School FFA Chapter, \$500 to Jubilee House, \$500 to Habitat for Humanity, \$500 to Interlink Volunteer Caregivers, \$500 to Valley House Homeless Shelter, \$400 to the Jerome Community Trust, \$400 to the Jerome Food Ministry, \$400 to the Walker Center, \$400 to the Jerome Public Library Foundation, \$300 to the Northside Military Museum, and \$300 to the American Red Cross. Apart from two years with Covid cancellation, the Bank has participated in the Christmas in the Nighttime Sky's/Toys for Tots program with an annual donation of \$1,000 in toys. For several years, the Bank has provided new automated U.S. Flags to selected local school districts in the Magic Valley. New flags have been installed at Camas County High School and the Twin Falls Christian Academy in 2023.

Farmers Bank will review our efforts on an annual basis to determine the direction of this statement. Employees will be kept abreast of the Bank's efforts to best serve our trade area. The Bank's marketing and advertising programs will support this effort and attempt to emphasize the Bank's service strengths and commitment to our communities. The Bank will attempt to expand our customer base while becoming more aware of the needs and desires of our communities.
